

RIVERSIDE PERSONAL SAFETY TRAINING

TWO PART COURSE

This course provides an overview of the potential dangers of working on or near water. Offering practical tips to help you to stay safe should you or a colleague fall into the water, this course has been developed by the Thames Skills Academy to meet the needs of people working on or near rivers and docks. It is only available through the Thames Skills Academy.

CERTIFICATION VALID FOR 3 YEARS COST: £235 + VAT PER PERSON
